Education

Sindh madressatul Islam University
Degree of Computer Science

09/2022 – 06/2026

Projects

Handbag Store E-commerce App

05/2026

- Developed a responsive React/Vite storefront with Tailwind CSS for seamless browsing.
- Implemented cart state management and checkout flow for a polished shopping experience.
- Built reusable UI components and optimized the app for mobile-first performance.

Real-Time Chat Application (Next.js, React, Firebase)

10/2024

- Built a full-stack real-time chat application using **Next.js** and **React**, enabling smooth page navigation and dynamic UI updates
- Integrated **Firebase Authentication** for secure user login and **Firestore** for real-time message syncing.

Recipe Display App (React, React Router DOM)

09/2025

- Developed a dynamic recipe display web app using **React** for component-based architecture and state management.
- Used **props drilling** and **React hooks (useState, useEffect)** to manage and pass data between components efficiently.

React Native Mobile App (Cross-Platform Development)

06/2025

- Built a mobile application using **React Native** and **Expo**, focusing on cross-platform compatibility (iOS and Android).
- Implemented component-based layout with **ScrollView**, **View**, **Image**, and **Text** components and reusable styling using **StyleSheet**, enhancing mobile UI design.

Certificates

Deloitte Technology Job Simulation – Forage

Completed Deloitte's Technology Job Simulation on Forage, gaining hands-on experience in coding and development tasks.

Skills

Node Js | Next js | React | JavaScript |
CSS | HTML | React Native | MongoDB

Technical Skill

Ms Excel | Ms Power Point |
Communication Skill | Problem Solving

Extra Circular Activity

Cutchi Memon Jamaat Bhimpura

I worked as a volunteer at the *Bachat Bazaar* event. My responsibilities included assisting with event setup, managing stalls, and ensuring smooth coordination throughout the event. This experience helped me develop strong communication and organizational skills while working in a fast-paced environment. It also gave me valuable insight into event management and teamwork.
